

# ABLE Change Weaving Cheat Sheet

Use this cheat sheet to identify opportunities to weave critical information and actions across groups and stakeholders.

Meeting:	
What <b>information</b> was discussed at this meeting that should be shared with other stakeholders/groups?	Which stakeholders/groups should this information be shared with? How can we share it?
What <b>questions</b> emerged during this meeting that should be asked of other stakeholders/groups?	Which stakeholders/groups should these questions be asked of? How can we ask them?
What <b>actions</b> emerged during this meeting that should be coordinated with other stakeholders/groups?	Which stakeholders/groups should these actions be coordinated with? How can we engage them in this coordination?
